MINISTRY OF LABOUR & EMPLOYMENT

New Delhi, the 22nd June 1962

S.O. 2017.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Patna, in the industrial dispute between the employers in relation to the Pathergoria Colliery, P.O. Mohuda, District Dhanbad and their workmen.

BEFORE SHRI H. K. CHAUDHURI, PRESIDING OFFICER, CENTRAL
GOVERNMENT INDUSTRIAL TRIBUNAL, PATNA

REFERENCE NO. 82 OF 1961/11 OF 1962

Employers in relation to the Pathergoria Colliery, P.O. Mohuda,
District Dhanbad,

AND

Their Workmen.

For the Management:—Shri Ranen Roy, Advocate.

For the Workmen: Shri Shankar Bose, Member, Central Executive Committee, Colliery Mazdoor Sangh, Dhanbad.

AWARD

Dated the 6th June, 1962.

By Notification No. 2/155/61-LRII, dated the 15th November, 1961, this industrial dispute between the employers in relation to the Pathergoria Colliery and their workmen has been referred by the Central Government to this Tribunal for adjudication under clause (d), sub-section (1) of Section 10 of the Industrial Disputes Act. The specific matter in dispute is as follows:—

“Whether the management was justified in transferring Sarvashri Rashid Mian and Gultan Mian, Tugger Khalasis from Pathergoria Colliery to their Babisole Colliery. If not, to what relief are the workmen entitled?”

2. This colliery is owned and managed by Messrs. Bharat Mining Corporation Ltd. The company owns several other collieries including one known as Babisole Colliery. Rashid Mian and Gultan Mian, the two workmen concerned in this dispute, were working as haulage khalasis at Pathergoria Colliery when the management by its order dated the 10th June, 1961 transferred them to its Babisole Colliery as machine drivers. They were asked to join their new posts on 14th June, 1961. The workmen failed to comply with this order and eventually this gave rise to the present industrial dispute. The union asserts that the order of transfer was in contravention of the terms and conditions of service applicable to these workmen and was wholly unwarranted. It was further alleged that the transfers were made out of malice and ill-will with a view to victimise the workers for their legitimate trade union activities.

3. The case of the management is that these two workmen were originally appointed and were working as machine staff but due to stoppage of the machines they were provisionally given the job of tugger khalasis. Later on, it is stated, the services of some machine staff being required at Babisole Colliery the aforesaid workmen were transferred to work there in their substantive posts of machine staff. It is asserted that the transfers were *bonafide*, justified and in accordance with the provisions of the Standing Orders. The allegation that the employees in question were transferred because of their trade union activities is denied.

4. The contention of the union that the transfers were in contravention of the provisions of the Standing Orders is unacceptable. Clause 24 of the certified Standing Orders of this colliery provides as follows:—

"All workmen are liable to be transferred from one department to another or from one station to another or from one colliery to another under the same management;

Provided such transfer does not cause any breach to their wages and other conditions of service and provided reasonable notice is given of such transfer."

The first point raised on behalf of the union is that although in terms of clause 24 the workmen could be transferred from one colliery to another under the same management, such transfer could be made only within the same State. It is pointed out that Babisole Colliery, where these workmen were transferred, lies in the State of West Bengal. I am unable to give effect to the contention of the union. Clause 24 of the Standing Orders is in general terms and contains no limitation that a workman cannot be transferred to a neighbouring State even though that concern is under the same management. Reference in this connection may also be made to the case of *Elias & Co. Ltd., Vs. G. P. Sarathy* (1953 I L.L.J 114).

5. There are no materials to show that the transfers caused any prejudice to the workmen in regard to their wages and other conditions of service. On the contrary, the evidence of the Head Clerk of the management (M.W. 1) shows that while as haulage khalasis those workmen were drawing a basic wage of Rs. 1.27 nP. they were transferred to Babisole Colliery on a higher wage of Rs. 1.87 nP. per day. It was contended that the management had separate Standing Orders for Babisole Colliery and it was suggested that in the absence of those Standing Orders it should be presumed that the workmen were likely to be adversely affected by the transfers. I am not impressed with this contention. If really the Standing Orders at Babisole Colliery were prejudicial to the interest of the workers it was the duty of the union to produce a copy thereof in support of its contention. It cannot be presumed that the terms and conditions contained in the Standing Orders of Babisole are less favourable than those contained in the Standing Orders of the Pathergoria Colliery.

6. It was next submitted that the posts to which these workmen were transferred were new and they had no experience of this kind of work and hence it was apprehended that they were not likely to do well in their new jobs. In this connection it is pointed out that the work of a machineman as described in Vol. II at page 85 of the Colliery award was a skilled job. I do not think that there is any substance in this contention. It is unbelievable that the management, consisting of hard businessmen, should have sent out two of its men to do jobs which they knew were unfamiliar to them. The service record of the two workmen (Ext. 4) shows that they actually are skilled workers and did various kinds of jobs connected with machines as machine driver, filter mazdoor, line mazdoor, etc. On behalf of the management it was submitted that in the order of transfer it was loosely stated that the workmen were required to work as machinemen in Babisole Colliery and that what was really intended was that they should work there as machine drivers, a work of which they had ample experience at Pathergoria. I see no reason to doubt this statement.

7. It was next urged that the notice issued to the workmen was very short and cannot be said to have been reasonable. It is true that the workmen were given only 4 days' time to join their new appointments. That by itself, however, does not show that the period was unreasonable. If really the grievance was serious it was open to the workers to approach the management and ask for some extension of time. This, however, they never did apparently because their objection was not in regard to the joining time given but to the transfer itself. On a review of all the facts I am, therefore, of opinion that the transfers of these two workmen were perfectly regular and within the terms of the Standing Orders.

8. From the evidence it appears that a branch of the Colliery Mazdoor Sangh was formed by some of the workers of this union on the 6th June, 1961 and a

list of office-bearers and members elected to the executive committee was also drawn up. According to the union information of the formation of the branch along with the list of office-bearers and members of the executive committee was duly conveyed to the management on the same day. It is said that the two workmen in question were elected members of the executive committee and the allegation is that it was on account of their trade union activities that the transfer order was passed 4 days after. The allegation that these transfers were made with a view to victimise the workmen does not, however, appear to be well-founded. It may be that the management's case that they had no knowledge of the formation of the union and the activities of the workmen in connection therewith before the transfer order was issued is not correct but it does not necessarily follow that the motive imputed to the management is warranted. The list shows that as many as 32 workmen were elected as members of the executive committee. It is not suggested that the management ever took any steps for victimising the other members of the executive committee or the office-bearers some of whom are employees at this colliery. It is significant that although the workmen were guilty of deliberate violation of the management's order it never took any disciplinary action against them. In fact it was submitted on behalf of the management that it was prepared to give jobs to these workmen even now. My finding, therefore, is that the allegation that the workmen were transferred in order to victimise them is not acceptable. In the result I hold that the management was justified in transferring the two workmen to their Babisole Colliery and that the workmen are not entitled to any relief. There will be no order as to costs.

9. I make my award accordingly.

AWARD

These are the two cases filed by one Shri Ramsukh Sitaldin Tiwari against Canara Bank Limited. His case is that he was an employee of the Bank and he was appointed as a Night Chowkidar with effect from 13th February, 1959. His services however were suddenly terminated on 3rd December 1960 in contravention of the provisions of Section 33 of the Act and he has therefore filed the complaint against the Bank under Section 33A of the Act, being the complaint I.D. No. 20 of 1962. At the same time he has also filed an application under Section 33C(2) of the Industrial

Disputes Act for computation of the benefit due to him on the alleged ground that **he was paid only Rs. 60/- p.m.** as his wages while, as an employee of the Bank he was entitled to Rs. 86/- p.m. under the Bank Award, together with other emoluments

2. The Bank contended *inter alia* that he was not an employee of the Bank but a private servant of the Manager of the Bank Branch.

3. After the matters were partly heard, the parties have arrived at an amicable settlement under which the Bank agrees to appoint Shri Ramsukh Sitaldin Tiwari as a confirmed Watchman in its service with effect from 1st June 1962 provided he applies for the post of a Watchman in the Bank, executes the service agreement as per form prescribed by the Bank and submits a medical certificate of fitness. The complaint I.D. No. 20 of 1962 is to be disposed of in these terms. He on the other hand withdraws his application, LCA No. 250 of 1962, on an understanding that he does not have any claims against the Bank for and upto the period ending May 31, 1962. In the circumstances the complaint I.D. No. 20 of 1962 is disposed of in terms of the memorandum of settlement between the parties annexed hereto and the application LCA No. 250 of 1962 stands dismissed.

In the matter of Complaint No. 4 of 1962 in Reference No. 1 of 1960, pending before the National Industrial Tribunal (Bank Disputes), Bombay-1.

AWARD

These are the two complaints filed by one Shri S. Natarajan, an employee of M/s. Devkaran Nanjee Banking Company Limited, under Section 33A of the Industrial Disputes Act.

2. It appears that he was transferred as an Accountant to Cochin on 7th September 1960. Prior to that he was employed in the Bank's Head Office at Bombay.

3. According to the Bank's case, when he was at Cochin, he asked for certain leave, which, though refused, he returned to Bombay unauthorisedly without leave on 31st December 1961. On this and other grounds he was charge-sheeted on 6th January 1962 and an enquiry was held on 22nd and 24th January 1962. He having been found guilty of the charge levelled against him, a show cause notice was issued on 27th January 1962 why he should not be dismissed from service, in response to which he personally appeared to show cause on 31st January 1962 and 1st February 1962. In the circumstances of the case however the management decided to dismiss him with effect from 3rd February 1962 and he was offered one month's wages, which he accepted under protest. On the same day, i.e., on 3rd February 1962, an application for approval was filed under Section 33(2)(b) of the Industrial Disputes Act, being O.P. No. 18 of 1962.

4. The employee concerned on his part filed the complaint I.D. No. 57 of 1962 on 30th January 1962 alleging that the charge against him was false and the management should be called upon to withdraw the same and not to proceed with the enquiry in connection therewith. Under Section 33A of the Industrial Disputes Act a complaint is permissible provided there is contravention of the provisions of Section 33 of the Act and such contravention takes place only when an action is taken without previous permission or approval under Section 33(1) or (2) as the case may be. In the instant case the actual dismissal of the concerned employee having taken place on 3rd February 1962, the complaint on the face of it is pre-mature. On the date on which the complaint was filed, i.e., on 30th January 1962, there arose no question of his dismissal without previous permission or approval and the provisions of either of the two sub-sections of Section 33 were not attracted. The complaint I.D. No. 57 of 1962 should therefore stand dismissed as pre-mature and does not require to be further proceeded with on merits.

5. The concerned employee has also filed another complaint I. D. No. 102 of 1962 on 20th March, 1962 after he was dismissed with effect from 3rd February 1962. His case has been that he is a protected workman as per explanation to Section 33(3) and therefore under the provisions of the said sub-section (3) he could not be punished with dismissal except with the previous express permission in writing. If really he is a protected workman within the meaning of Section 33(3) read with the explanation thereto, then undoubtedly the Bank's application under Section 33(2)(b) would not be enough and there should be an application for express permission in writing before the action is taken against the concerned employee. In order to show that he is a protected workman, the complainant has produced certain papers, Exts. W/1 to 4, which, when read with Ext. M/1 produced by the Bank, indicate that formerly there was a registered Union named the Dena Bank Employees Association, Maharashtra and the date of its registration was 24th June, 1961. It was in connection with this Union that a letter dated 27th September, 1961 (Ext. W/1) was addressed by the Union to the Managing Director of the Bank specifying the names of certain protected workmen under Section 33(3) of the Industrial Disputes Act including the employee now concerned. It is an undisputed fact that this was the State Union of Maharashtra, of which the concerned workman Shri S. Natarajan could not become a member, nor an office bearer, he having been transferred to Cochin as an Accountant since 7th September, 1960. Subsequently, however the name of the Union was changed as Dena Bank Employees' Association so as to enable the members of the staff working in the different branches of the Bank in other States to join the Union. In this connection the letter dated 30th December,

1961 (Ext. W/4) was addressed by the Union to the Managing Director of the Bank and here too Shri S. Natarajan the employee now concerned, was shown as a protected workman in terms of Rule 61 of the Industrial Disputes (Central) Rules, 1957 in his capacity as General Secretary. The name of the Union was changed sometime in December, 1961, so that a former State Union was substituted by an All India Union in order to enable the employees working in branches outside the Maharashtra State also to join the Union. It was only after this change that Shri S. Natarajan became eligible to join the Union and to claim the status of a protected workman in his capacity as General Secretary. The registration of this new name however took place sometimes in February, 1962, after Shri Natarajan stood dismissed from service, and this fact was conceded by him before me.

6. Under Explanation to Section 33(3) for the purposes of this sub-section, a 'protected workman', in relation to an establishment, means a workman who, being an officer of a registered trade union connected with the establishment, is recognised as such in accordance with rules made in this behalf, and the relevant rule in this connection is Rule 61 of the Industrial Disputes (Central) Rules, 1957. The said Rule provides *inter alia* that every registered trade union connected with an industrial establishment, to which the Act applies, shall communicate to the employer before the 30th September every year, the names and addresses of such of the officers of the union who are employed in that establishment and who, in the opinion of the union, should be recognised as "protected workmen", and the employer shall subject to section 33 sub-section (4), recognise such workmen to be "protected workmen" for the purposes of sub-section (3) of the said section and communicate to the union, in writing, within fifteen days of the receipt of the names and addresses under sub-rule (1), the list of workmen recognised as protected workmen. The earlier correspondence on this line has taken place between the Bank and the Union, but so far as the present employee is concerned, he could not come within the range of protect of workmen as at that time the Union was only a State Union and he then being posted at Cochin was not eligible to the membership or to hold any office. It was only after the name was changed and a new All India Union substituted that he became entitled to the membership and to hold office. The registration of the change, however having taken place after his dismissal, he could not claim to be a protected workman when the action was taken against him. It is under Section 23 of the Trade Unions Act that any registered trade union may with the consent of not less than two-thirds of the total number of its members and subject to the provisions of section 25, change its names, and Section 25 provides that notice in writing of every change of name by the Secretary and by seven members of the Trade Union changing its name shall be sent to the Registrar, and save as provided in sub-Section (2), the Registrar shall, if he is satisfied that the provision of this Act in respect of change of name have been complied with, register the change of name in the register referred to in section 8, and the change of name shall have effect from the date of such registration. Thus the change in the name of the Union in the present case became effective only from the date of registration which admittedly happened after the concerned employee stood dismissed from the service of the Bank. In the circumstances, I am of opinion that it is not open to him to claim the status of a protected workman within the meaning of Section 33(3) read with the Explanation thereto, and there arises no question of obtaining previous express permission in writing.

7. As already said above, the Bank has filed an application for approval under Section 33(2)(b) on 3rd February, 1962, i.e. on the same date on which the employee concerned was dismissed from service, and he was also offered one month's wages which he has accepted under protest. We have therefore to decide the said application, being the application O.P. No. 18 of 1962, on merit, and in the face of this application it cannot be said that the employer has contravened the provisions of Section 33 of the Act so as to entitle the aggrieved worker to file a complaint under Section 33A of the Act. The subsequent complaint I.D. No. 102 of 1962 practically refers to the merits of the case and only in paragraph 36(j) it has been alleged that the action of the Bank is contrary to the provisions of Section 33 of the Industrial Disputes Act, in view of the fact that the complainant is a protected workman in terms of Section 33(3) of the Act. If however it is found that he is not a protected workman, then apparently there is no contravention of the provisions of Section 33 and what the employer is required to do is merely to seek approval according to the provisions of Section 33(2)(b) of the Act which the Bank has done in the present case. In the absence of any contravention, the subsequent complaint also cannot lie and it ought to be dismissed.

8. For the reason aforesaid, I hold that the two complaints filed by the employee concerned are not maintainable and ought to fail. The complaints in the result stand dismissed.
